

RUFFELL'S 20 POINTS PACE THIS WIN.

Culver Cager Sets Mark As Saxons Dropped

Camino Edges San Diego in Overtime

Even without the fabulous Art Powell, San Diego JC came on strong in the second half Friday night to knot up their Metro League game with El Camino and send the contest into overtime, but the Warriors came through with 10 points in the extra period to register an 83-81 win over San Diego on the winners' floor.

The two squads were deadlocked, 73-73, at the end of regulation time. But the Caminians, led by Phil Graf, Frank Consiglio, Wally Tonkells, Charley Davis and Don Stewart, outpointed the Knights when it counted.

Graf tallied 18 points during the night, while Consiglio, Davis and Tonkells all had 16. Stewart potted 15 digits in what was one of the best displays of balanced team strength produced by a Camino squad for many seasons.

Hold Halftime Lead
Coach George Stanich's Warriors held a four point, 34-30, bulge at the half. But the Knights steadily chopped away at the lead until the game was knotted.

High point honors went to Bob Tullius, San Diego guard, who tallied 25. Harry Wilson, Knight forward, scored 24.

Friday night the Caminians meet sky-high Santa Monica City College in a league match on the Camino floor. The two squads are tied for second place in the JC conference, both two games back from pace-setting Harbor JC.

Top Century Mark
The Corsairs thumped El Camino in the first league meeting between the two squads on Jan. 21. And both teams ran up more than 100 points in doing it.

Both the Warrior and Corsair squads are strictly offense-minded, so the nets are due for a real scorching Friday. Tip-off will be at 8 p.m.

Sportsmen Commended By State

California sportsmen were commended recently by the State Department of Public Health for their cooperation during the rabies quarantine this fall and winter.

Warned that rabies in wildlife was running exceedingly high in the hunting areas of the state, sportsmen complied with advice that their dogs be vaccinated against the disease before taking to the field.

"Because of their cooperation in complying with local rabies control measures," said Dr. Malcolm H. Merrill, state health director, "there were no reports of valuable hunting dogs being lost because of rabies."

In urging sportsmen to protect their hunting dogs against rabies, the director said that control laws in many counties will remain in effect this year. In many instances local ordinances require that a dog be vaccinated before being allowed to run at large.

Dr. Merrill explained that in order to interfere the least possible with the enjoyment of hunters, it has been recommended to local health officers that a general policy be followed allowing vaccinated dogs free movement into, within and out of rabies quarantine areas.

SPORTSMANSHIP AWARD . . . El Camino student, Robert Gordon, left, received Intramural Sportsmanship Award recently from faculty advisor Arl Beale at special banquet. Gordon, member of Kappa fraternity grid team, threw three teepee passes and caught three more in org's championship game with Chi Gamma Iota. Award came however, for Gordon's calmness in accepting referee's calls, which nullified three of his scores.

In other Metro games Friday, loop-leading Harbor outpointed luckless East LAJC, 78-74; Bakersfield topped Long Beach City College, 67-53; and Santa Monica overcame a 10-point halftime deficit to tip Valley 85-84.

El Camino (83): Reubel, f, 0; Graf, f, 18; Schmidt, f, 1; Tonkells, c, 16; Davis, g, 16; Consiglio, g, 16; Stewart, g, 15.

San Diego (81): Wilson, f, 24; Krantz, f, 15; Vanderlinde, c, 5; Tullius, g, 25; McNamara, g, 4; Norton, g, 8.

Centaur Jayvee Crew Clobbers Saxon Cagers

Guard Larry Lee led Culver City Jayvees to a resounding, 49-27, victory over the Saxon JV's Friday night on the Centaurs' match box court.

Lee tallied 11 points to set the pace for the winners, who led 17-12 at the half, but then really poured on the coal in the final two quarters.

Coach Bill Wood's Jayvees had only six cagers show up for the fray. Dave Campbell, Sax on guard, outdid Lee in the scoring column, nabbing 12.

Bruce Stinger tallied five for the Saxons from his forward position.

The Jayvees take tomorrow off and return to the hardwood Friday when they trek to Beverly Hills for a Pioneer League game. Tip-off will be at 6:45 p.m.

North Hi (27): Nissen, f, 3; Stinger, f, 5; Whitehead, c, 2; Therox, c, 2; Campbell, g, 12; Grieshaber, g, 3.

Culver City (49): Schrader, f, 9; Richardson, f, 8; Dillenbeck, f, 6; Caven, c, 2; Limers, g, 9; Taylor, g, 4; Lee, g, 11.

Hawks Upset Centennial

Redondo upset favored Centennial, 54-44, Friday night in a Bay League game and crept to within a game of the leaders by doing so.

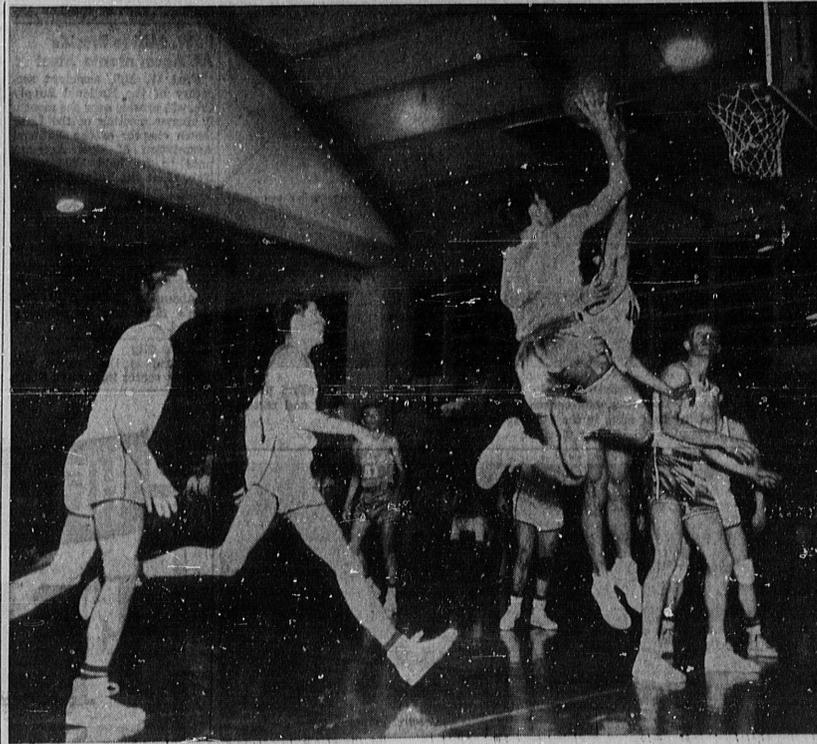

Redondo's Rex Hughes tallied 16 points to lead his mates to the win but the real story was the Seahawk defense, which put the collar on Apache Center Chet Clark. Clark failed to score and only four Centennial cagers tallied in the game.

Bob Williams, a forward, had 21 to account for most of the Apache scoring. Centennial had only 11 points at the half.

FLIES THROUGH THE AIR . . . So goes Saxon Forward Don Bolde, 62, as he barrels in with jump shot in North Hi-Culver City go Friday. And he made the bucket, too, but the locals couldn't come up with enough tallies. They were outclassed by Culver five, which is tied with Eeverly Hills

for Pioneer League lead. Culver's tall pivot man, Bill Wagner, 10, tries to head off Bolde, while other Centaurs are Rhodes, left, and Mike McPerson, center, moving in from behind. Roger Snell, Saxon center, watches action from under net.

IN HIGH GEAR . . . Saxon Guard Bud Ritter roars down court accompanied by Culver City defender in Friday night action at Culver. Centaurs outshot North Hi by 69-43 tally, but coasted mainly on the performance of Forward Mike McPerson. McPerson set Pioneer League mark for single game high scoring in fray, pumping in 36 points.

North Hi Clipped By Culver, 69-43

One of the top CIF cagers in Southern California, Mike McPerson, potted 36 easy points to post a new Pioneer League single game scoring record Friday night as Culver City's Centaurs romped over North Hi, 69-43, at Culver City.

The 6', slightly-built cager could have potted many more had Coach Del Goodyear decided to use him more often than he did. McPerson is a terror with the ball, one of the smoothest prep players around who can score with hooks, jumps and a variety of other shots.

The Saxons were simply in for it Friday as the Centaurs, who didn't have much outside of McPerson, raced to a 21-7 lead after the first quarter and ran their margin up to a high of 37-15 at the half.

Meet South Pasadenas
Coach Bill Wood's locals take a day off from Pioneer League play tomorrow, traveling to South Pasadena for a non-loop fray. Varsity and Bee squads will make the trip, with the Bees starting off the double bill at 3 p.m.

Disturbed by the alert, ball-hawking tactics of the Culver crew, the Saxons couldn't do much for three periods. They had 23 points after three quarters but came to life in the final eight minutes to tally 20 points.

Most of the second half, the Centaur reserves were in the fray and couldn't score effectively against the locals. With the exception of the first half, the game was mildly interesting, in fact the score for the final two periods was a respectable 32-23 in favor of the winners.

But it was the first half scoring of McPerson and 6'3" center Bill Wagner of Culver, that smashed the locals' hopes. McPerson had little trouble getting most of his points on easy lay-ups against the overly eager Saxons.

Anderson Top Scorer
Forward Ron Anderson topped the Saxon scoring. He got nine points. Guards Bud Ritter and Steve Beckett each had seven for the locals.

Ron Petrilli, forward, hit three straight baskets at the start of the third period, but fouled out in a hurry to wind up with six points. Don Bolde also had six for the locals.

Friday night at Beverly Hills the Saxons jump right into the fire again. Beverly, which is co-leader of the loop along with Culver City, has dropped but

TARTARS ROLL, 64-44

Torrance Blasts Olympians by 20

Pulling away for keeps in the second half, the Torrance Tartars registered their second Bay League victory of the season Friday night, blasting Leuzinger, 64-44, on the home court.

It was the second time the locals had defeated the Olympians in league competition this year.

Coach Fanny Markham's gang held a 16-15 lead at the end of the first quarter and both teams chipped in with 10 points in the second quarter to give the locals a slim, 26-25 lead at intermission.

But Center Rich Ruffell began hitting with regularity in the third period and the Tartars got 21 points in that quarter to go ahead for good. Ruffell had one of his better games, in hitting for 20 points, to easily take high-scoring honors.

Waller, Kendall, Venable Help
Forward Ron Waller tallied 13 to aid the Tartar cause, while Mike Kendall got 12 and Toby Venable scored 10 to help the locals keep up their blazing pace in the second half.

Tomorrow the Tartars travel to Inglewood for Varsity and Jayvee frays. First game starts at 2:45 p.m.

Inglewood, defending Bay League champ but short of experience this season, dropped

the locals in overtime in their last meeting.

The Leuzinger gang was just too small for the Tartars, but hot shooting by Patterson, Schlauch and Weed kept the Olympians in the game during the first half. Patterson tallied 11 to top the Leuzinger scoring effort, while Weed and Schlauch each had 10.

Jayvees Win, Too
Torrance also won the Jayvee game, to make it two straight loop wins for the locals. The Tartar JV's outlasted Leuzinger, 24-19, in a low-scoring affair.

Torrance (64): Waller, f, 13; Mathews, f, 5; Jackson, f, 0; Ruffell, c, 20; Usab, c, 0; Kendall, g, 12; Bertolet, g, 2; Ito, g, 2; Venable, g, 10.

Leuzinger (44): Weed, f, 10; Clack, f, 4; Tilden, c, 4; Schlauch, g, 10; Patterson, 11; Barnes, g, 5.

Pettit Will Report to Stars Again

Former Narbonne High diamond star, Paul Pettit, will be on the Hollywood Star roster again this year, the Pacific Coast League club announced last week.

Pettit, the \$100,000 bonus baby who flopped as a pitcher, then took up outfielding and first base duties, is listed as a candidate for first base by the Stars. Pettit junked his pitching career and began his climb upward again, on the strength of his big bat.

He spent the early part of the 1955 campaign with the Stars, but then was farmed to Mexico City, where he blasted the ball way above the 300 mark.

Other first base aspirants for the Stars this year are R. C. Stevens, regular in '55, and newcomer Frank "Dutch" Van Burkleo, former service great at Ft. Ord and a .263 hitter with Waco of the Big State League last year.

Drivers Must Adjust to Conditions

"It's every driver's responsibility to adjust his driving to the conditions that exist." This warning to motorists was made by Deputy Commissioner Ross R. McDonald, of the California Highway Patrol recently.

"The practice of many motorists who drive in the same manner during inclement weather as when weather is clear and dry, is reflecting a definite increase in death and injury accidents. Last year 32,000 accidents occurred during adverse weather conditions, and investigations revealed that the greater percentage of these accidents could have been prevented had the drivers made the necessary adjustments of their driving habits for winter driving," continued McDonald.

Reduced visibility and slippery roads necessitate reduced speed, while rain, frost, and snow require adequate wipers and defrosters functioning properly. Motorists have to see danger before they can avoid it.

The exercise of due caution, and the acceptance of your personal responsibility for avoiding traffic accidents will help counter-balance winter's hazards.

TOP SKATERS . . . Pat Woodward, left, and Herb Provost, both of Torrance, hold trophies they won recently at skating competition in Culver City. They were judged best couple in dance of the month contest. The two will present awards at similar contest, slated at Torrance Roller-drome Wednesday.

Crowley Lake Boat Reservations Offered to Anglers on March 19

Monday, March 19 — that's the date a throng of Southland Izaak Walton's already have circled on their calendars, the Los Angeles City Recreation and Park Department surmised last week.

The department pointed out that at 8 a.m. on March 19, doors to Room 225, Los Angeles City Hall will open and personnel of its permits and reservations section will accept signups for rental of approximately 60 city-operated boats for the opening of the 1956 "big fish parade" at Crowley Lake, the Eastern High Sierra "lair of the tackle-busters."

Crowley Lake Manager George Marks reported the California State Fish and Game Commission is expected to designate Saturday, April 28, as kickoff day for the huge man-made reservoir's 1956 season.

Recreation and Park Department Office Manager Charles S. McCormick, Jr., announced that boat reservations for post-opening-week end dates will

also be accepted from those lined up in the City Hall's second floor corridor the morning of March 19. "Operation Reservation Assignment" will be conducted on a strict first-come, first-served basis, and hourly checks of the line of duat-seekers will be made, McCormick declared.

McCormick stated that the department will again provide chairs for those in the reservation line. Also, he said, the department's public relations division is set to screen three or four "action" motion pictures in the corridor outside Room 225, City Hall on the evening of Sunday, March 18.

For the past several years, McCormick recalled, the reservation line has started forming the morning BEFORE the date set for allocation of the coveted opening-week end rental boats.

He reminded those planning to join the reservation line to use the City Hall's Main St. entrance.
